WHAT IS METAPHYSICS?

Simply defined meta--means beyond and physics- is the physical, beyond the physical.

We are proud to announce a course sponsored by The Metaphysical Institute. Scheduled to begin in early 2010 a Webinar “Consciously Create Your Life” and a course “Arvel & Bobbie Chappell’s Decision System”.

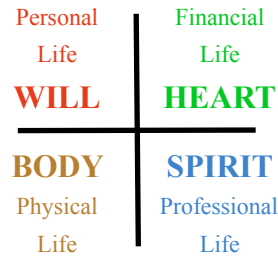

It will be offered exclusively online. It will cover 10 weeks and will provide a very comprehensive approach to managing your life.

This course will emphasize your work-a-day-everyday world, the “real” class. You will be:

- Given individual attention each week.
- You will get out of this class what you put into this class.
- You will be transformed.
- You will benefit and those around you will benefit.

The ABC Decision System is based on a simple premise, we are all energy, All That Is, God, Goddess Everything Is One. We describe God, Goddess, All That Is as four aspects. We are four aspects; Will, Heart, Spirit and Body. Each of these aspects has attributes.

Your life is the way it is by your creation unconsciously, weather, you are conscious of that fact or not. You are doing it by the decisions you make, in our opinion, imbalanced. You make at least 10,000 decisions a day. If you make them imbalanced the outcomes, results of those decisions reflect that imbalance.

You will be shown how to align, balance and center the aspects of your life in a meaningful way, that will result in balanced outcomes.

Take a look at your life right now, is there room for improvement? Are you having issue with family, friends, coworkers? Is your financial situation all that it could be? Are you enjoying optimal health?

These areas of your life all relate to one another in a very specific way. We will show you how you can better manage your energy.

Contact us at www.metaphy.com and register for “Consciously Create Your Life” using the “ABC Decision System™” and in just a few months you will have a more fulfilling journey in your life’s creations.

From the Founders of The Metaphysical Institute

“We facilitate a formalized structured approach to your discoveries of yourself and your realities. You have gifts and talents you are yet unaware of, and perhaps have suspected are there.

We help you unleash the power within you, and not at the expense of any other.

We all have a purpose. Balance and alignment with your (Free) Will is not inconsistent with Creator’s Will, it is part of life’s journey.”

Drs. Arvel and Bobbie Chappell
